### Common questions about student life

What housing options are available for students?

Are meal plans required for students?

Meal plans are required for all students living in traditional dormitories. We offer flexible meal plan options ranging from 10 to 21 meals per week, plus dining dollars that can be used at our cafes and food trucks. Students in apartments with kitchens can choose optional meal plans.

How can I get involved in research as an undergraduate?

What support services are available for students?

Can I study abroad while pursuing my engineering degree?

What recreational facilities are available on campus?
